GDS to celebrate homecoming events

Students at Glades Day School are celebrating events this week. The Gator Growl will begin at 9 p.m. tonight, October 7, after the Junior Varsity football game.

On Friday, Gators and Gator fans will host a parade down Main Street at 1 p.m. The parade will feature floats, decorated cars, trucks and bicycles. The Gatorettes and the Gator marching band will perform during the parade.

The crowning of the Homecoming Queen will be Friday night at the school. The event will take place at the half-time varsity game against King's Academy.

Open House

Grove Elementary School will host two open house events on October 11 and October 12 beginning at 6:30 p.m. in the school cafeteria.

On October 11, students in Pre-kindergarten through grades two and their parents are invited to attend. On October 12, the open house will be for grades three through five and ESE students and parents. All parents are encouraged to attend and learn more about their child's school activities.

Sessions offered on depression

The Western Palm Beach County Mental Health Clinic is sponsoring two sessions on understanding depression on October 7.

The West County Senior Citizen Center will be the site for the sessions with two events for citizens to choose between. The first session will begin at 9 a.m. and conclude at 11 a.m. The afternoon session is scheduled from 2 p.m. to 4 p.m.

Effie McNair, Senior Center Manager for the West County Senior Citizen's Center invites members of the community to participate in this free event.

Aide to Rep. Lewis to hold office hours

An aide to U.S. Rep. Tom Lewis (R-North Palm Beach) will hold 16th District office hours in the Glades area on Tuesday, October 12, from 9:30 a.m. to 10:30 a.m.

"Anyone needing the assistance of their congressional office should call or visit Don Kiselewski, Constituent Services Representative for Congressman Lewis, at Belle Glade City Hall, 110 S.W. Avenue E.

Dump NAFTA rally

The Ladies of the Lake are asking everyone who will be adversely affected by the North American Free Trade Agreement to attend a rally against NAFTA on October 23.

The event will be held in Tampa from 10 a.m. to 2 p.m. and the Ladies of the Lake have chartered a bus for anyone who would like to attend. For more information call 813-983-3096 or 813-983-2404.

Citizens help city dedicate "Thunder," the new fire truck

By Brenda Bunting
Editor

Dedication of "Thunder," the City of Belle Glade Fire Department's new \$207,000 fire truck, was held last Thursday morning.

In a public/private enterprise, several companies in the Glades pitched in to help purchase the truck, with Sugar Cane Growers Cooperative leading the charge.

Andrew Wright, a first grader at Christian Day School, gave the new truck its name. His entry was selected out of 1,124 entries during a "Name the Fire Truck" contest held in the area schools. Andrew also won a \$100 U.S. Savings Bond. Second place went to Arzavious Givens, a Gladeview fifth grader, who submitted the name Glade Runner and third place went to Rodson Wright of Gove Elementary whose winning name was Fire Hawk. Both were given \$50 U.S. Savings Bonds certificates.

City Manager Lomax Harrelle approached the major agricultural businesses in July, asking for their help to replace a 35-year-old fire truck.

His first contact was George Wedgworth, president of the Cooperative.

"I was taking into consideration the economic climate of the Glades and realized it would be difficult. However, after talking

However, after talking with Mr. Wedgworth, I knew it was possible," said Mr. Harrelle.

"This is a significant contribution to the City, and I am very proud of the community spirit that made the donations possible," Mr. Harrelle added.

The City secured the remaining funds from U.S. Sugar Corporation, Flo-Sun, Inc., A. Duda and Sons, Sugar Supply, Inc., and Talisman Sugar Corporation.

Mr. Wedgworth was given a plaque during the dedication ceremonies and Fire Chief Tony Tulliano presented him with the "Speaking Trumpet" which represents a symbol of command and rank.

Mr. Wedgworth said they were giving the award to the wrong person, saying he talked with his board, which represents 54 Glades growers, and they agreed to donate \$100,000 toward the purchase of the truck.

He also spoke about Mr. Harrelle's ability to secure funds from the private sector.

"One of the best guys to handle a guy is Lomax Harrelle," Mr. Wedgworth told the crowd. "I noticed there are no fire hoses on this truck yet," he said. "Lomax will be around Monday morning asking for fire hoses," he joked.

It just made good sense for See Fire truck..... page 3

Broadcast stations to remain on area CVI cable

Cablevision Industries will not be required to discontinue carrying of any of the broadcast networks currently carried on cable.

Doug Kelly, general manager of CVI in Belle Glade said the announcement comes after several months of good faith negotiations between CVI and area broadcasters. Should CVI not have been successful in this effort, Mr. Kelly said they would have been required by law to "turn off" broadcast networks which had not granted CVI retransmission consent. The FCC imposed date for these deletions was October 6 at 12:01 a.m.

Mr. Kelly said "CVI has

received the required consent from several area broadcast stations and is in the process of finalizing negotiations with others. For those agreements not yet finalized, temporary arrangements are in place to continue carriage of these broadcast stations and to allow time to complete negotiations."

He added he is confident that the negotiations still in the process will conclude "with favorable results."

CVI has been seeking a win-win-win scenario for CVI subscribers, the cable company and the broadcasters "and that is what we have accomplished over the past few months," said Mr. Kelly.

Ribbon Cutting...The ribbon was cut last Thursday to dedicate the new City of Belle Glade Fire Department's Fire truck "Thunder." Shown from left are Chief of Police Michael Miller, City Manager Lomax Harrelle, President of Sugar Cane Growers Cooperative George Wedgworth, Andy Wright, who named the truck, Rodson Wright, who came in third place in the name the fire truck competition, Arzavious Givens, second place winner, and Israel Rodriguez with Sugar Supply.

\$17,500 raised in Saturday's AHA walk

By Brenda Bunting
Editor

A shot gun start kicked off Saturday's Heart Walk with almost 250 walkers taking to the pavement in the 6.2-mile trek to benefit programs for the American Heart Association.

Walkers enjoyed the scenic walk from the Belle Glade Marina to the bike path along SR 717 with weather in the 70's. They turned around just short of SR 715 and went back to the Marian where they enjoyed snack, drinks and pizza.

Participants and organizers

should feel proud, says Dee Rickard, program director for the Heart Association. The Glades Branch raised \$15,500 in pledges and an addition \$2,000 from local businesses who sponsored mile markers and water stops for the walkers.

"I think the Glades community, by far, has the most supportive people I've worked with anywhere," said Ms. Rickard. "When they say they're going to

get behind something, they do it more than 150 percent."

The AHA board set a goal of raising \$10,000 from this year's walk. They exceeded that goal by 46 percent.

Ms. Rickard said 86 of the participants are eligible for AHA five-color tee shirts and another 13 people raised over \$250 each to become eligible for a watch. Heidi Cox of Belle Glade was the walker who raised the most money in pledges, bringing in \$387.

Private contractor to provide

Pahokee with garbage/trash pickup businesses.

By David Ranieri
Staff Reporter

The City of Pahokee is no longer in the garbage and trash business.

For the first time in over 80 years the city has decided they can't provide quality service to citizens at an affordable price without decreasing services.

County Sanitation has signed a contract with the city to collect trash and garbage effective October 1. The company will collect trash and garbage on Tuesday and Friday. Recycling will be also be done on Tuesday.

The city decided to sign a contract with County Sanitation because of the rapid increase in tipping fees. These fees which were charged to the city by the Solid Waste Authority when trucks are weighed would have forced Pahokee to raise garbage and trash collection rates by 20 percent over a two year period.

Last year city commissioners voted not to increase the collection rates of area citizens and

City Manager Ken Schenck estimates the city will save approximately \$150,000 by having County Sanitation collect trash and garbage. Citizens should notice their garbage rates will decrease or remain the same.

The city still owns two garbage trucks and two trash trucks. Schenck said the city will sell one garbage truck and one trash truck to County Sanitation for an undetermined amount as of Wednesday, October 6.

The city will retain the use of one garbage truck and one trash truck. The garbage truck will be utilized for the hauling of sludge from the waste water plant. The trash truck will be used for the collection of vegetation, since the city has decided they will still be able to provide that service to residents.

"We have had a few problems switching over to a private contractor, but they are getting worked out," said Schenck.

Leadership Glades, Class of 1993-94...Thirty-two business leaders in the Glades have chosen to participate in this year's Leadership Glades program. The group will spend one day a month learning about agriculture, education, health issues and facilities and other issues pertinent to the Glades. A welcome reception was given for the class Tuesday evening at Sugar Cane Growers Cooperative.

The Hurston Museum's Africamp receives regional recognition

AfriCamp, the research and publishing program for 10 to 15 year olds sponsored by the Zora Neale Hurston Roof Garden Museum of Belle Glade has been selected as an outstanding service-learning project in the Southeastern United States by SERVE (South Eastern Regional Vision for Education) based in Tallahassee.

The SERVE Sharing Success program recognizes exemplary educational programs that serve children in Alabama, Florida, Georgia, Mississippi, North Carolina and South Carolina. The program is designed

to increase the awareness and use of exemplary educational programs by identifying and publicizing programs and practices that work.

To be considered, programs must be invited to submit nomination information. Initial contact comes through a recommendation from either state education agencies, school districts or school personnel in the region.

"Our invitation came in August, and was quite a surprise," said Carheda Knocheh, Chief Executive Officer of the Hurston Museum. "Of

course, we were right in the middle of summer Africamp, so this kind of recognition gave us our second wind. We're proud to bring some positive attention to Belle Glade."

Information on the AfriCamp program will be featured in a publication called Sharing Success, which will be available in December. SERVE is affiliated with the School of Education, University of North Carolina at Greensboro and the Florida Department of Education.

For additional information, please contact Jim Watkins at (904) 922-2286.

New chairman announced for museum

Mary O. Evans

The Zora Neale Hurston Roof Garden Museum announces the appointment of May O. Evans as the new Chairman of the Board of Directors.

Mrs. Evans was a member of the Museum's founding Board and has served as secretary of the Museum Board since the inception. She is a former model for the Saralee doll, an African-American doll mass produced in the early 1950's. Two of the dolls are on display at the Hurston Museum.

Professionally, Mrs. Evans is employed by the School Board of Palm Beach County on the Area Four Instructional Support Team as an Exceptional Student Education Resource Teacher. She has been with the School Board for 27 years.

She is a member of New Bethel Missionary Baptist Church and the Haitian Catholic Council. She is also the immediate past president of Iota Omicron Zeta Chapter of Zeta Phi Beta Sorority, Inc.

The team that raised the most money...Glades Day School students came out Saturday to attend the Glades Branch of the American Heart Association's Heart Walk. They raised over \$1,200.

Spooky fun

The Clarence E. Anthony Branch Library at 375 S.W. Second Avenue, South Bay is sponsoring a haunted house on Thursday, October 14 from 3 p.m. to 4:45 p.m.

Children from the area are encouraged to stop by the library and join in the fun.

Understanding the Haitian clientele

There will be a workshop on Thursday, October 14 from 10 a.m. to noon on understanding the Haitian client and their

medical beliefs and cultural practices.

The speaker will be Jean Renier Eugene with the Southeastern College of Osteopathic Medicine. The event is sponsored by Everglades Area Health Education Center and the Western Palm Beach County Mental Health Clinic, Inc.

Who should attend? Physicians, nurses, social workers, community outreach workers, school personnel, and law enforcement personnel should attend this workshop.

For more information contact John Ashberry at 992-1336 or Joe Peters at 1-800-451-5584.

Benefit fish fry

There will be a benefit fish fry for Diane Scott (Mrs. Joe Scott) this Saturday, October 9 at the Belle Glade Marina. The event, sponsored by the F.O.P. will begin at noon and end at 5 p.m. Donation for the fried fish, hushpuppies, cold slaw, baked beans, tea and dessert is \$5.

Members of the community are asked to help support this worthwhile benefit.

Registration open for Grassy Waters events

The Grassy Waters Festival and Car Show will be held at the Pahokee Marina Park on Saturday, November 20 from 10 a.m. to 5 p.m.

Registration for the volleyball tournament and 5-K Run are available at the Pahokee Chamber of Commerce.

Organizers say this year's event promises to be the best ever with lots of free games, sporting events, free classic car show, and free entertainment.

Everyone will have plenty of

things to do all day. Planned activities include: Free snowball throwing contest, free hay rides, sailboat rides, and airboat rides (weather permitting).

Dozens of classic cars will be on display for a walk through nostalgia and visitors will vote for their favorite cars. Fun events like an old fashioned bed race will be going on all day.

Sporting contest are always popular with the volleyball contests and bicycle races being two of the main highlights. Music and entertainment will be going on all day long and, as usual, great eating and lots of gift buying opportunities will be open to all comers.

A Grassy Water's Festival dance will be held at the newly restored Pahokee Recreation Center on Saturday night, November 20 from 9 p.m. to midnight. Entertainment will be provided to encourage a night of fun and dance. Admission tickets will be available at the door or in advance from the Chamber.

Call Alice or Dot at the Pahokee Chamber of Commerce, 924-5200 for more information.

Halloween dance

The Belle Glade FOB is sponsoring a Halloween dance on Friday, October 29 at 9 p.m. at the Belle Glade Elk's Lodge on Avenue E.

There will be live music by Showdown, mechanical bull rides and a food buffet, along with a cash bar only.

Prizes will be given for best costume and most original costume. The cost is \$20 per couple. For more information call 1996-7251.

the Cooperative, as Belle Glade's largest employer, to take the lead on this project, Wedgworth said.

"We have many employees who live in and around Belle Glade and this is a good investment for them as well as for the entire community," he added.

Mr. Wedgworth recalled an incident several years ago where the ice plant in Belle Glade suffered extensive damage in a fire because the city did not have the equipment to handle the fire because toxic gas was being released.

"We watched it burn far beyond what it would normally have burned," he said. The

Cooperative donated masks for the firefighters after that incident.

"When my board asked me what we should do in this case, I told them we have a lot of risk and liability and it's for our own best interest to protect our interest," he said.

Mr. Wedgworth also gave credit to Sue Teets, assistant to the City Manager for getting all the parties together and handling the paperwork for the fire truck and to his assistant Barbara Miedema, manager of public relations for the Cooperative, for helping work out the details.

AHA heart Walk

Continued from page 1

A team from Glades Day School had the most walkers and also raised the most money, \$1,247.

Ms. Rickard said the Glades people, considering the number of walkers, raised more money per walker than anywhere else in the county. West Palm Beach raised, \$55,000, but had over 1,000 walkers.

South Bay Growers had a large turnout of employees who participated in the walk. They

all wore company tee shirts and Ms. Rickard said they will receive a plaque for "Most Team Spirit" at the turn in party scheduled for next Thursday evening, October 14 at Sugar Cane Growers Cooperative at 6 p.m.

Belle Glade farmer Wayne Boynton was the first walker over the finish line, but he was behind Glenn Bair of Belle Glade who glided through the course on roller blades.

A wall of harvesters....Over 22 mechanical harvest machines were lined up in front of Glade and Grove Supply on South Main Street Monday in preparation for sugar cane harvesting season. This year, Sugar Cane Growers Cooperative is cutting all their cane from their 64 member growers with mechanical harvesters.

Dolly Hand Cultural Arts Center gets new director

The Dolly Hand Cultural Arts Center located on the campus of Palm Beach Community College in Belle Glade has named Maria Wise Miller as its new manager.

Previously, Wise Miller was president of Wise Communications, a full-service public relations and marketing firm that specialized in arts organizations, non-profit agencies and political clients.

For the past two years, she

worked with Governor Chiles office of public/private partnerships at the HRS/Palm Beach County Public Health Unit in Belle Glade where in her first year she received a Davis Productivity Award for her outstanding achievements in producing cost-savings for the state of Florida.

"The Dolly Hand Cultural Arts Center is an outstanding facility and a great asset to the community providing quality cultural art programs.

"My goals include creating more opportunities for the theatre to be utilized by the community and working with business and civic leaders to develop a partnership in promoting the Glades area," said Wise Miller.

Wise Miller is a graduate of the University of Florida, Leadership Palm Beach County and she continues to be active in community affairs.

Two outstanding performers will present an evening of great family entertainment at the Dolly Hand Cultural Arts Center in Belle Glade on Saturday

October 9, at 8 p.m.

The first star of the evening is well-known ventriloquist Mark Merchant whose comedy is assisted by some wild and crazy characters who magically come to life.

Following the antics of Merchant and his "friends", The Dolly Hand Cultural Arts Center is proud to present organist and keyboard artist extraordinaire Hector Olivera whose very personal interpretations of music prove popular with diverse audiences worldwide. Olivera is currently on tour with his custom-crafted organ.

Tickets are \$12 for adults. Group and tourist discounts are available. Call the Dolly Hand Cultural Arts Center at 407-992-6160 for information.

Hurston Museum executive wins national award

Cartheda Konchellah

Cartheda T. Konchellah, Chief Executive Officer of the Zora Neale Hurston Roof Garden Museum of Belle Glade has won the 1993 Humanitarian Award of the National Bar Association's Women Lawyers Division. In recognition of her work with Glades area youth through the development of the AfriCamp program, Mrs. Konchellah was honored at the National Bar Association during their recent convention in

Boca Raton.

In introducing Mrs. Konchellah at the Women's Lawyers' Breakfast, Attorney Debra Moses Stephens of West Palm Beach commended Mrs. Konchellah for "creating opportunities for children in an area where it seems that few opportunities exist."

"It takes a special kind of person to establish this kind of program," Attorney Stephens said. "We must all admire Mrs. Konchellah for the commitment she has made to her community." The AfriCamp program, which provided the basis for the national award, is a year-round research and publishing program for 10 to 15-year-old children from the Glades area. Funded by the Children's Services Council and the Knight Foundation, the AfriCamp program served a total of 300 children by the close of its 1992/93 program year.

Fall is in the air

Wait...was that cooler air I felt blowing from the north this week? I love the fall and winter in South Florida and I just want to say it's great to be here.

Just look around at what the man has done

Thank you for allowing me the privilege of speaking out on this *Speak Out* program.

I am calling about the recent flair up in Belle Glade where two city officials got together and seemed to have hustled a few of the citizens to oust Lomax Harrelle, City Manager.

First of all, I must say that the best thing that has happened to Belle Glade is Lomax Harrelle. That man is qualified. That man is very conscientious. That man is very capable of administering the duties of the city. He has the city's welfare at heart. That man is a very busy man but he always finds time to talk to people.

I believe that it is something personal between (Bill) Bailey and (Happy) Tucker that is of a different manner. I believe they are trying to conspire and give him a bad name to get him out of his position.

I'm very grateful to those city commissioners who were wise enough not even to attend such a meeting and I must congratulate Commissioner (Steve) Weeks who saw the nonsense of these people who were plotting.

I believe that both Mr. Bailey and Mr. Tucker should be ashamed of themselves and all the people who got together to support them by writing letters and using *Speak Out* against Mr. Harrelle should be ashamed of themselves.

If they need to know what Mr. Harrelle has done for the city of Belle Glade they don't even need to ask the question, just look around and they will see what that man has done. I repeat, the best thing that could have happened to the City of Belle Glade is Lomax Harrelle.

Still doesn't understand

I agree with the person who said that Commissioner Weeks was telling everyone that they were a waste of his time. When you say, "It's a

waste of my time to be here" it means that all the people there were not important, that they were a waste of his time.

I sure wish I had been at that meeting. I still don't understand. Thank you.

In response to *Speak Out* two weeks ago

Yes. In response to last week's *Speak Out*, "Thumbs Up," I think it should be thumbs down.

To call a meeting about someone who is out of town and not give that person a chance to defend himself is ridiculous.

Lomax Harrelle has a lot of friends in Belle Glade. He's a wonderful person. I think he's doing a great job. There are a lot of people who support him and Harma Miller wouldn't dignify a meeting like that to attend it anyway, knowing that person wasn't there to defend himself.

Also, I think thumbs up should be in order for Steve Weeks for walking out of the meeting and thumbs up should be for Lomax Harrelle. They have done a great job and they love not just the city, but they also love and think a lot of the people. That's all I have to say...and boo to last week's thumbs up.

Editor's note: This *Speak Out* was received after deadline and we were unable to get it in last week's newspaper. Unless there are further developments on this subject, we would ask our callers to please give this one a rest.

Kudos to walkers

For those of you who missed the American Heart Association's Heart Walk Saturday morning, I just want to say you missed a great event.

The weather was beautiful, the fellowship was great and best of all, we raised a lot of money to help the fight against heart disease.

If you didn't make it this year, mark your calendars for the first week in October of 1994 and join us for a great event.

The walkers deserve a pat on the back for coming out in teams and in pairs to walk the 6.2 miles and the businesses who sponsored this worthy event should also be recognized.

That's all I wanted to say. Thank you.

Women aren't to blame for rapes, says USF victims' advocate

It is not women's fault that they are raped, despite what many people - many of them women - believe, said a University of South Florida expert.

Mary Poole, the USF Victim's Advocate Program coordinator, talked about her experiences at USF and with the Clearwater Police Department during a speech to the Christina Women's Fellowship Group at Peninsular Christian Church in South Tampa. Her topic was "Rape in America: An Insidious Social Pattern."

Poole said statistics show that one in four women in the U.S. are sexually assaulted, usually by a family member or someone they know.

"The rapes are being done by only 10% of all men in the U.S.," said Poole. "Men should be getting angry -- husbands, fathers, brothers should take a stand."

Women also should take a stand. According to Poole, "Women do not support women."

Contrary to what many believe, statistics show that women are much less likely to believe that the victim was really raped while men are much more likely to believe the

victim, said Poole.

For example, she said, when lawyers want a conviction, they will pick mostly men for the jury. If the lawyers want to get a verdict of not guilty, they will pick mostly women.

Why? Poole said that after years of studying this, she has concluded that by saying the rape was caused by something the woman did, other women feel safe.

To admit that there is nothing that could have been done to prevent the rape makes all women feel unsafe, she said.

She said a 78-year-old woman, who for years had taken a walk every day by herself, was raped during one of her strolls. The victim said it was her own fault. She should not have been walking alone.

"It was not her fault," said Poole.

"Women tend to always blame themselves. Women need to stop blaming themselves," said Poole. "It's not their fault. It is time for women to speak up and tell their stories. Like the Bible says, 'The truth shall set you free.'"

Poole said that it is time for women to start helping each

other and supporting each other, rather than blaming each other.

She says that everywhere she speaks women come forward to say they have been assaulted, and such was the case after her speech at the South Tampa church. According to Poole, there are "so many women hurting -- so much suffering." There are a lot of women in need of help, understanding and compassion, emphasized Poole.

Women's fellowship groups are a perfect example of a vehicle for women to support each other, said Poole.

Poole holds a bachelor's degree in sociology and psychology, D.C. and has more than 20 years experience in the mental health field.

Before coming to USF, she was the victim assistant for the Clearwater Police Department.

Her experience includes working with HRS as an investigator of child abuse and neglect, with Eckerd Family Youth Alternatives as a group parent/counselor and with a juvenile court in New Orleans as behavior management supervisor in a day treatment program.

Gov. Chiles declares October Spinal Health Month

Governor Lawton Chiles has signed a proclamation declaring October as Spinal Health Month.

In issuing his proclamation, Gov. Chiles pointed out the importance of spinal integrity on achieving good health.

During October, 5,000 licensed chiropractors will participate in programs of public information and education concerning the spine and nervous system, along with providing

clinics for early detection of spinal problems.

The clinics will enable the identification of spinal problems that otherwise might go undetected, and they will allow the public to learn first-hand of the importance of spinal integrity as it relates to total health.

Most people know the central nervous system originates in the brain and extends down through the spinal column

reaching every part of the body, but many fail to realize the spine can be a source of a variety of health problems which occur in other parts of the body, said Dr. Leslie Bartlett, president of the Florida Chiropractic Association.

The proclamation acknowledges the need for periodic spinal examinations as a health measure and commends the chiropractic profession for its community service.

A Fireman's Prayer

Editor's note: This poem was reprinted on the back of the programs and distributed during the fire-truck dedication last Thursday morning at the Belle Glade Fire Department. We felt this poem was worthy of a reprint in this week's edition of The Sun.

When I am called to duty God
wherever flames may rage,

Give me strength to save some life
whatever be its age.

Help me embrace a little child
before it is too late,

Or save an older person
from the horror of that fate.

Enable me to be alert and hear
the weakest shout,
And quickly and efficiently
to put the fire out.

I want to fill my calling and to
give the best in me,

To guard my every neighbor
and protect his property,

And if according to my fate, I
am to lose my life,

Please bless with your protecting hand
my children and my wife.

Wilkinson-Pearce

Beth Wilkinson and Maurice Leyland Pearce were married on Sept. 19 at the Holy Nativity Church in Pahokee.

The bride is the daughter of the late Mr. and Mrs. Julian Hill McCauley of Georgetown, Delaware.

The groom is a free lance writer and recently retired from the British Museum in London.

The couple will reside in Pahokee.

Wilson to speak at C.P. Church

Michael Wilson

The Canal Point United Methodist Church is holding revival services Sunday through Wednesday, October 10th-13th. The services will begin at 7 p.m., with singing and praise to God.

The Reverend Michael Lister, from north Florida, will be bringing messages on the new life in Christ. You are invited to attend and bring your friends and family. God will bless you.

Morris named as National Achievement Semifinalist

The names of approximately 1,500 high school seniors who have qualified as Semifinalists in the 1994 National Achievement Scholarship Program have been announced. Jabari Morris of Pahokee High School is one of the semifinalists.

The Achievement Program is a privately financed competition for Black Americans that is conducted by National Merit Scholarship Corporation. The academically able semifinalists have an opportunity to continue in the competition for some 800 Achievement Scholarships, worth about \$3 million, to be awarded next spring.

More than 90,000 black students entered the Achievement Program by requesting consideration when they took the 1992 Preliminary Sat/National Merit Scholarship Test. Semifinalist were designated in geographic regions, each comprised of several states, and

they represent the highest scoring Achievement Program entrants in their respective regions.

Semifinalists must now advance to the finalist level of the competition in order to be considered for Achievement Scholarships. To qualify as a finalist, a semifinalist must have a record of high academic achievement performance throughout secondary school, be endorsed and recommended by the school principle and submit SAT scores that confirm the earlier PSAT/NMQT performance.

The semifinalist and a school official must complete a detailed scholarship application giving information about the student's participation in school and community activities along with his or her educational interests and goals. About 1,200 semifinalists are expected to become finalist and all winners of Achievement

Scholarship will be chosen from the finalist group. Award recipients will be the candidates judged to have the great potential for future academic success, based on abilities and accomplishments.

Three types of scholarships will be offered in the 1994 Academic Program. Every finalist will be considered for one of the 400 National Achievement \$2000 scholarships to be awarded on a regional representational basis.

Corporations, foundations and professional associations also will finance approximately 200 four-year scholarships for finalists in whom they have a particular interest. College and university sponsors are expected to provide more than 200 four-year Achievement Scholarships in 1994. Winners of college-sponsored Achievement Scholarships will be chosen from among finalists who plan to attend the institutions financing their awards.

United States Sugar Corporation announces executive promotions

U.S. Sugar Corp. President J. Nelson Fairbanks Friday announced the promotion of five company executives. "We are building a team of talented people to help lead our company into the next century," Fairbanks said. "These executives are playing key roles in maintaining our company's leadership in this industry."

Jerry W. Grace has been promoted to senior vice president, commodities marketing and development, from vice president, corporate development. Grace has been instrumental in developing new business ventures for the company. He was part of the team that guided U.S. Sugar's expansion into citrus growing and processing. In his new capacity, Grace oversees South Bay Growers, the development and marketing of commodities, fruit procurement and marketing for U.S. Sugar's citrus operations, U.S. Corralite (a plastics producing subsidiary), the Clewiston Inn and special projects for the company.

Malcolm S. Wade, Jr. has been promoted to senior vice president, administrative service group, from vice presi-

dent, administrative services. Wade has been involved in environmental public policy issues for U.S. Sugar Corp., and is the company's representative on the technical meditation team for the Everglades restoration negotiations. Wade also directed U.S. Sugar's Hurricane Andrews relief efforts. In his new capacity, Wade oversees engineering, the commissaries and mess halls, and office services for the company.

Murray T. Brinson has been promoted to vice president, sugar processing, from director of sugar houses. A 25-year U.S. Sugar employee, he previously was factory manager and superintendent of The Bryant Sugar Mill. Brinson has made significant contributions to the sugar milling operation by aggressively updating and introducing innovative environmental programs. He is responsible for the mills' excellent environmental rating this past year.

Robert E. Coker has been promoted to vice president, community and governmental affairs, from director, community and governmental affairs. Coker has represented the

company's interests in the state legislative process, as well as in local communities. He has been the driving force behind the company's involvement in numerous community improvement projects through its corporate and charitable trust programs.

Frank B. Davis, Sr. has been promoted to vice president, agriculture equipment shops, from director, agriculture equipment shops. Davis has been instrumental in complementing environmental programs involving the company's equipment and repair shops. These programs include voluntary emissions inspections and a recycling program for equipment components, such as used oil, radiator fluids and tires.

Brinson, Coker and Davis' new positions designate them as officers of the company, Grace and Wade were already officers.

United States Sugar Corp. is a diversified agricultural products company that is one of the nation's largest producers of sugar, and a major grower of winter leaf vegetables and citrus.

Golfer's teed up for youth program fund-raiser

On Saturday, September 25 ninety golfers "teed it up" at the Belle Glade Municipal Golf Course to participate in this annual fund-raiser for the youth programs directed by WCMHC.

The monies that were raised will be used for the ALPHA school-based program, and the Nat Kahn Center for Child and Family Services.

West County Mental Health Clinic is very grateful for all

those who participated and all those individuals, businesses and organizations who contributed to the prizes and sponsorships.

The first place team came in with a score of 60 which was won in a sudden death play-off with two other teams.

The winners were Mike Horsley, Jose Rodriguez, Pete Rodriguez, and Terry Kirchner.

Congratulations to all.

WPTV to launch ninth annual Community Food Drive

Preparations for WPTV's ninth annual "FOOD FOR FAMILIES" campaign are now underway, announces Vice President and General Manager, William J. Brooks. The 1993 "FOOD FOR FAMILIES" campaign will run from October 11th, through November 23rd. WPTV is asking community schools, businesses, unions, religions, civic and other organizations in Martin, St. Lucie, Indian River, Okeechobee and Palm Beach to help by sponsoring and conducting food drives. The individual food drives which number over 450 last year, have been catalyst behind "FOOD FOR FAMILIES" success for the past eight years.

"This is a project that we undertake with a tremendous amount of joy. Last year's effort demonstrates just how much this community cares for its neighbors," said Brooks. "The

victims of Hurricane Andrew received such an outpouring of support from this area in time of need, and we were still able to raise 350,000 pounds of food locally. This fact alone demonstrates the character of this community and that they are willing to give even beyond their means. How could you ask for anything more."

Once again, special events will play a crucial role in the success of "Food For Families." The Southern Bell/Telephone Pioneers/CWA Antique and Classic Car Show, October 10, at the West Palm Beach Auditorium, will serve as the kick-off event.

In the Glades, many public and private schools will be holding food drives and the Belle Glade and Pahokee Chamber of Commerce will be accepting donations of non-perishable food.

Learn to read through Glades Literacy Project

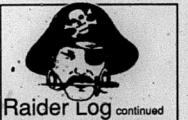

The Glades Literacy Project has been operating in this area for many years and has continually been striving to reach all of this community's members. We offer free, private, one-to-one tutoring to any adult in this community who would like to improve their reading and writing ability. All of the tutors in this program are volunteers who tirelessly give of themselves to help this community.

Cecelia Dowe, of South Bay, has been a tutor in this program for over four years and has given close to three hundred hours to it by tutoring. Following are Cecelia's reasons why she likes being a tutor.

"I think of reading as a tool which everyone should possess. Every other subject revolves around reading and one is really lost without it. I like being a

tutor... I even love it, I really do. The reason is I'm patient and understanding of my students who are commended for taking the initiative to learn to read so that they can better themselves and their families. Everyone should do a good deed, if not everyday, as often as one can. This is my way of contributing a small bit to society. This is what I'm comfortable doing and I get a lot of pleasure from it. I challenge those of you who are capable of tutoring to not hesitate any longer; try it, you'll like it. The good far out weighs the bad. Happy tutoring."

The Glades Literacy Project is having a tutor training workshop on Saturday, October 16th. For more information call Christine Lavallee or Dean Beck at 996-3453.

As mentioned last week, clubs and organizations are rolling. The Future Business Leaders of America (FBLA) sponsored by Catherine Granville recently elected its officers: president, Ramon Pagan; vice-president, Muna Yacub; secretary, Tequila Jones; ass't secretary, Jason Adams; treasurer, Colanda West; and reporter, Robert Newkirk. More clubs news forthcoming.

While everyone knows the results of last Friday's game, with the great Raiders over Pope John Paul, did anyone notice that the Raiders received 0, yes zero, yards penalized! Sounds better all the time. And while the foot-

ball team gets most of the attention, other athletes at GCHS are making a contribution also.

The girls' volleyball team, coached by Terry Osborne, is having a busy week with games Forest Hill, Olympic Heights, Pope John Paul, and double header Monday at Clewiston.

The same goes for the Raider cross country runners whose schedule included the John I Leonard Invitational last Saturday (results: boys 20/560; girls 13/368) and then another meet at Dreyer Park Tuesday. This Saturday the teams met at Coral Springs.

Blue Devils remain undefeated with a 24-0 win over William T. Dwyer last Friday night in Palm Beach Gardens

By David Ranieri
Staff Reporter

Palm Beach Gardens-Andre Taylor and Latorrance Webb combined for 190 yards rushing as Pahokee defeated William T. Dwyer 24-0 in a non-district game last Friday night at the Panthers' home field.

Taylor had 100 yards on 13 carries and Webb had 90 yards on 13 carries respectively as Pahokee defeated their third Class 5A opponent of the season.

Senior Tyrone Richardson continued his outstanding play at quarterback. Richardson was 10-for-14 for 117 yards and threw for two touchdowns. He has completed 53-of-86 passes for 653 yards and eight touchdowns in the Blue Devils' first five games.

Richardson got the Blue Devils' offense rolling Friday night with some help from the Panthers' defense and a lucky bounce of the football. His

pass was tipped by a Panthers' defensive back and into the hands of Tyrone Smith who scampered down the right sideline 50 yards for the touchdown late in the first quarter.

Richardson threw to Tyrone Smith for the two point conversion to give the Blue Devils a 8-0 lead with 3:19 remaining in the first quarter.

Pahokee's offense continued to move the ball effectively in the first half against William T. Dwyer's defense.

The Blue Devils' took over on their own 36 yard line on their next possession following William T. Dwyer's punt.

Richardson completed passes to Tyrone Smith to give Pahokee two key first down plays on the drive.

Then Richardson capped the nine play, 64-yard drive with a 10-yard touchdown pass to Darrell Smith with 5:51 left in the first half. Richardson's pass to Darrell Smith was

good for the two point conversion and Pahokee would go to the locker room with a 16-0 lead.

The Blue Devils would add another touchdown in the second half via a Panther turnover. Senior Harold Pringle picked off Eric Larsen's pass and returned the ball to the Blue Devils' 37.

Six plays later, Orson Walkes plunged into the end zone on a 3-yard run. The drive was highlighted by Webb's 43-yard run that helped to set up the touchdown.

Then Richardson threw to tight end Marvin Coley for the two point conversion.

The Blue Devils' defense was as dominating as their offensive counterparts as they recorded their first shutout of the season. Pahokee limited William T. Dwyer to eight first downs and 115 yards in total offense.

Paul Bowles had 9 tackles,

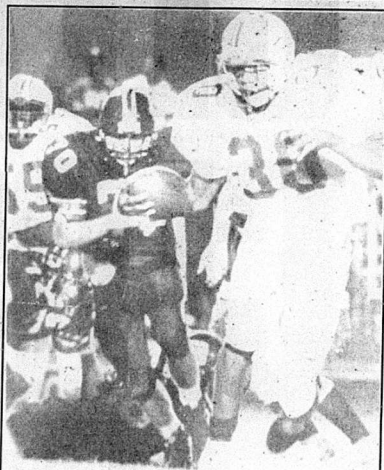

three assists and one sack, Orson Walkes had six tackles and two assists and Aaron Bell had five tackles and two assists.

Panthers quarterback Eric Larsen was limited to 57 yards passing and was intercepted by Harold Pringle and Early Babb. Larsen had thrown for 589 yards and four touchdowns in the Dwyers' first four games.

Pahokee is now 5-0 overall and 2-0 in the district. The Blue Devils are tied for first place in District 7-2A with Bishop Verot, who they will play October 23.

"We need to focus our attention on Bishop Verot, although, we cannot afford to overlook anyone the next couple of weeks," said assistant coach Casey Cavanaugh.

The Blue Devils will have this weekend off and will host Suncoast October 14 at 7:30 p.m.

Christian Day Junior Varsity loses thriller to St. Andrews 15-6

By David Ranieri
Staff Reporter

The Christian Day JV football team lost to St. Andrews 15-6 Thursday night.

Crusader quarterback Billy Rimes scored on a 1-yard run late in the fourth quarter to pull Christian Day within two, 8-6.

But Christian Day was not able to pull off the come from behind victory. St. Andrews scored on their next possession and dropped the Crusaders to 1-3 on the season.

Matthew Snow had another fine game for Christian Day as he caught three passes for 71 yards. Quarterbacks Jason Cunningham and Billy Rimes combined to complete 5-of-12 passes for 92 yards against St. Andrews.

Cunningham and Snow were also forces on defense as Christian Days' defense held St. Andrews to 0 yards passing and 141 yards rushing.

Although the Crusaders have lost three tough ball game to American Heritage, St. Edwards and now St. Andrews head coach David Rimes has seen his team stay composed and focused.

"With a minute to go the defense were still trying to force a turnover in order to give our offense another crack at scoring, said Rimes. "They never give up, although it's easy to get down mentally when you lose some close ball games. This team always keeps their heads up and give 110 percent."

Rimes also feels that the

lessons that the youngsters learn on the gridiron this season will be beneficial to them when they move up to the varsity level.

"We teach fundamentals like blocking and running pass routes," said Rimes. "Fundamentals may often get overlooked, but they often determine the outcome of the ball game. I also believe in discipline and we try to make the game enjoyable for the kids."

The JV Crusaders play their final game against Moore Haven, Thursday night at 7 p.m. at Pioneer Park.

"They have a lot of speed offensively and defensively," Rimes said. "We must contain their running backs and prevent them from getting to the outside."

Glades Central still ranked Number 1 after Friday's 36-3 Victory over Boca Raton

By David Ranieri
Staff Reporter

Fred Taylor rushed for 166 yards on 17 carries and three touchdowns to lead Glades Central to a 36-3 victory over Pope John Paul Friday night in Boca Raton.

The 6-foot-1, 210 pound senior running back has narrowed his choices of prospective colleges to Florida, Florida State, Notre Dame, Michigan, Tennessee and Clemson.

But don't expect head coach Rick Casko to give his star player any special treatment.

"Fred gets coached like everybody else, said Casko. "He is our starting tailback, but we have a staring offensive tackle that is just as important. He doesn't get special privileges. In fact Friday night he was taken out. I'm not saying he didn't run hard, but he made one or two choices that were wrong. We try to coach him in order to make him a better player. He's a great back, but we want him to be a better back. We have a slew of running back that run real hard."

James Powe and James Jackson are two more fleet footed running backs that opposing defenses have to contain. Powe ran for a 49-yard touchdown and Jackson

had a 22-yard run as Glades Central rolled up 335 yards rushing on 33 attempts Friday night.

The Raiders defense also continued their outstanding play as they limited Pope John Paul to 58 yards in total offense.

"We're attacking the ball a little bit more," Casko said. "We have many returning players from last year, although, their still young their real aggressive and they can play."

The Raiders' defensive unit has recorded two shutouts against South Fork and Lake Worth, limited teams to 77.8 in total offense a game and currently have not allowed a touchdown in 19 quarters of football.

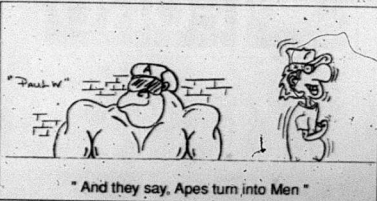

Glades Central is now 5-0 and ranked No. 1 in the class 3A state poll. The Eagles dropped to 1-4.

The Raiders will host Suncoast Friday night at 7:30 p.m. Suncoast is only 1-4, but their won-lost record is deceiving. Suncoast was defeated Jupiter 13-12 last Friday night, a team that lost to the Raiders 19-13 in Glades Central's football jamboree.

"There a good football team," said Casko. "I know there young, but real aggressive and they can play."

Cheryl Stein and her firey horse leads the cheerleaders in the half-time activities at Thursday night's JV game. She made it through the entire half-time show without falling off.

"And they say. Apes turn into Men"

JV Gators defeat John Carroll; Cox scores four touchdowns

Stacey Cox rushed for 218 yards on 25 carries and four touchdowns to lead Glades Day to a 28-15 win over John Carroll at the Gators' home field last Thursday night.

Cox scored on runs of 55, 22, 19, 13 yards to help Glades Day raise their record to 4-1.

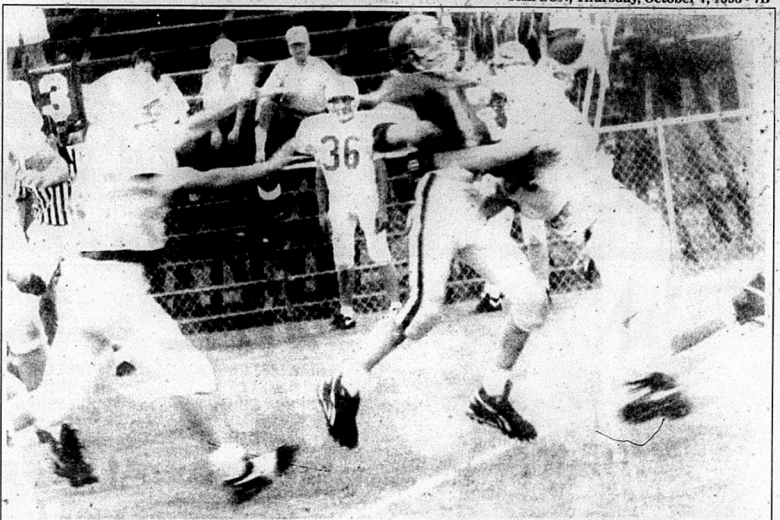

Freshman quarterback Heath Norman was 4-for-6 for 92 yards. Tight end Justin Hamilton had two receptions for 71 yards and Wesley Bruen ran for 38 yards. Duke Tucker added two, two point conversions for Glades Day.

The Gators' defense was led by Jared Davis with three tackles and three assists. Davis also added an interception and a fumble recovery Friday

evening. Other leading contributors were: Pablo Sanchez with three tackles and three assists, linebacker Thomas Norman had two tackles and four assists and Clay Hughes with two tackles and three assists.

The JV Gators will host King's Academy, Thursday at 7 p.m.

Following the game at 9 p.m. the school will hold a pep rally and introduce their homecoming court. On Friday at 1 p.m. Glades Day will have a parade featuring floats, decorated trucks and the Fighting Gator Marching Band. The parade will start at the school and end at Belle Glade City Hall.

Quarterback Heath Norman.. is sandwiched by two John Carroll defenders Thursday night. Norman was 4-for-6 for 92 yards in the Gators' 28-15 win.
